

## Photo and Video Recording Permission

Little People's of Somers maintains a website and Facebook page as a helpful resource for communicating with families in the preschool and with the community at large. Names or identity of children will never be used on the website or Facebook page.

I \_\_\_\_\_ give \_\_\_\_\_ do not give permission for my child,

\_\_\_\_\_, to be photographed and/or videoed in school, by school personnel, for the purpose of recording school activities with teachers, parents, and children.

Photos/Videos may be used for viewing on the school's social media pages, the school website, and internally by parents, staff, and children.

This does not include the class specific communication accounts (i.e. Shutterfly, etc) or 4's End of Year video in which all students will be portrayed and is viewed only by school families at Graduation.
